My personal website is undergoing major restructuring and updates.

Â

It will not be accessible at the time of writing this.

Â

Please be patient as I redo the site design.

Â

This does not affect the VBA-M forum, file mirror, or main page.

Â

This has been a public service announcement.

Okay:

Â

http://vba-m.com/personalpage/

Â

Thats my new page. I will need to update the site's download section to reflect the change....
